The staff and I dedicate the 1978 Citadel to each and every person here at Lutheran High School. This yearbook is presented in the form of a motion picture, in which each individual has a unique role to play. The role may be that of a leading character or a supporting character. Regardless, the Citadel is intended to review the 77-78 year from the perspective of producer, not critic. We have attempted to capture as many L.H.S. roles as possible, while, at the same time, cover the events of the year. Each of you are important in your own special way — May God bless you always.

The Spotlight Is On You . . .

OUR CHANTALE

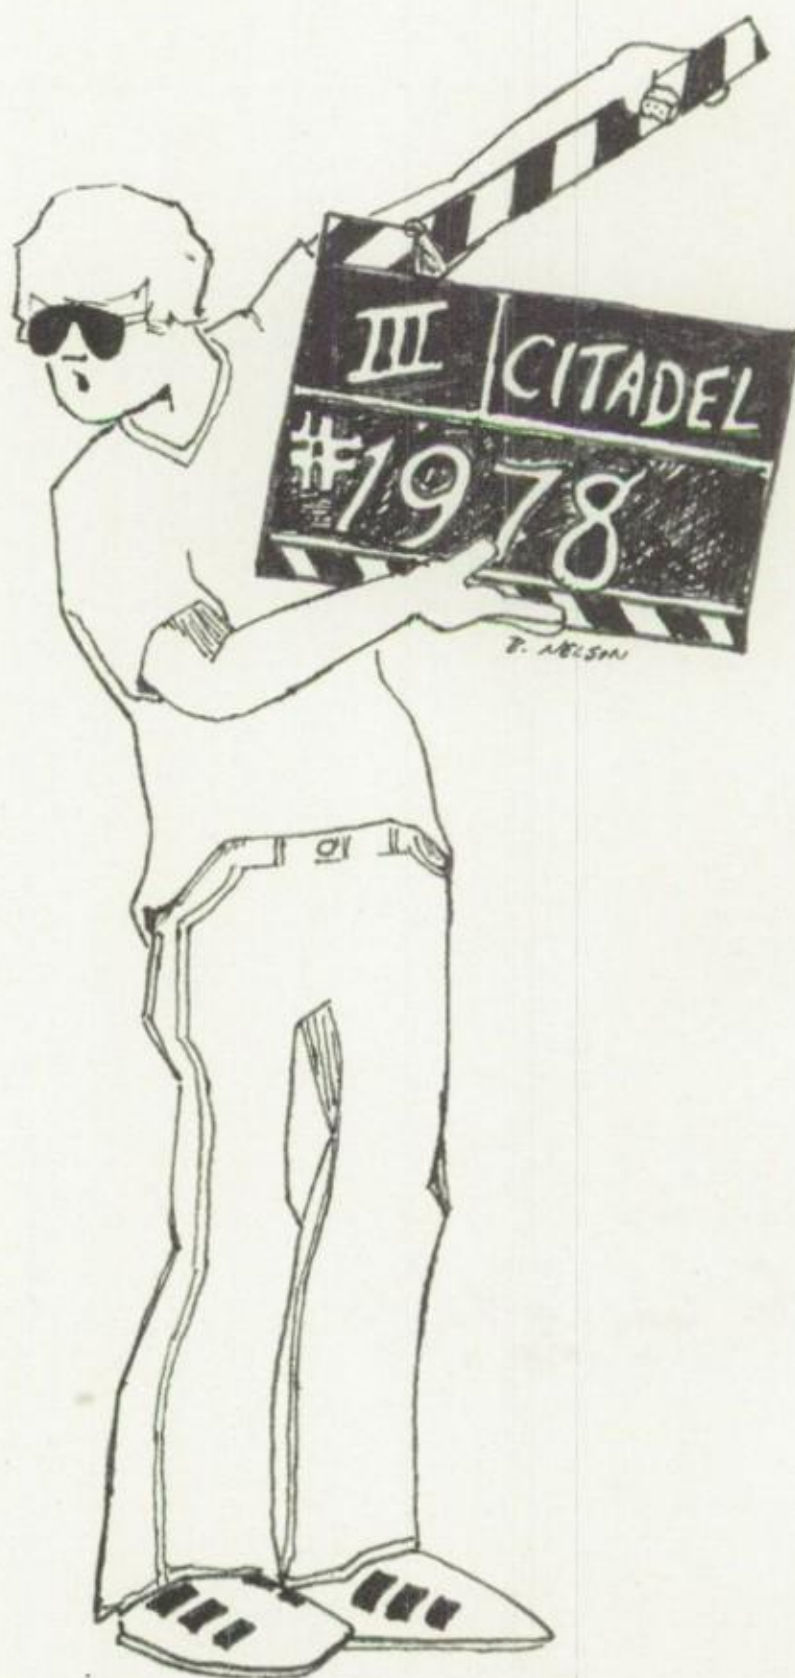

CHANTALE

Living by a typical Canadian area, I decided last year to experience the American life of Wisconsin, of Racine, and of this great "Lutheran High School." Knowing many people, learning new habits, doing crazy things, and laughing about my French accent, those last ones will stay in my mind forever. No, I am not going to forget all those friends, those teachers, those smiles and jokes. One year is just too short. Why does every good experience have always an end? Thank you at everyone of you and remember that one of these days, I will surely come to teach French at "Lutheran High School." "Pourquoi faut-il que dans la vie, il soit des jours où c'est fini ooo."

BECAUSE WE LIKE YOU!

WHAT'S A

FOOLKS

Jeff-
I'm really glad that we
finally got to talk this
year. You are really too much
of a joke, especially in Algebra.
Mrs. Esala sure talks a lot of
shit from you! We didn't
get to party at all this year,
but there's always the summer
and next year. Take it easy
over the summer, and I'll
see ya.

Love ya-
Archie

Jeff-

this year has gone by so
fast! So bad we didn't
have any classes together.
~~So bad~~ Well, we'll probably
see you this summer
sometime, cuz I know you
gotta keep wide in line!

Take Care!

(you're all
delinquents)

Love-
Beth

P.S. Knott, don't
party too hard.

Jeff,
Well what can I say to you. We
haven't been talking much, but
you a good friend. It was fun
hanging around you - way back,
and I hope we all could get
together again. Stay as funny
as you are and don't party to
much. Have!! Love
fun!! Dorene

Jeff -
(Knotty Pine)
It's been excellent
knowing you. It's just
too bad we don't hang around
each other like last year. Partying
at Widdle's was so much fun
last summer, I don't think
I'll ever forget it as long as
I live. I remember when Kevin +
I first broke up, you were so sweet +
took me cruising alot, even when I
didn't say much + when the other guys
like Ramon + Craig got mad at me for
some reason or another. How about
New Year's Eve?!? You came over
(probably hung over + stuff) I guess
we should have tried to find something
to do. I never did pay you back for
your broken shoelace, + I never
wrote, so HA, HA! Maybe something
this summer will be able to get
together + party or something, O.K.
I miss not hanging around
you - honestly I really do.
Just think - next year you'll
be a senior! Holy Balls,
you sure don't seem to be
that old. Next December
you'll be 18 + then for
sure ~~you~~ we'll have to
get together. (Just
kidding).
Love ya
forever,
Carolyn
(Scribble)

Jeff -

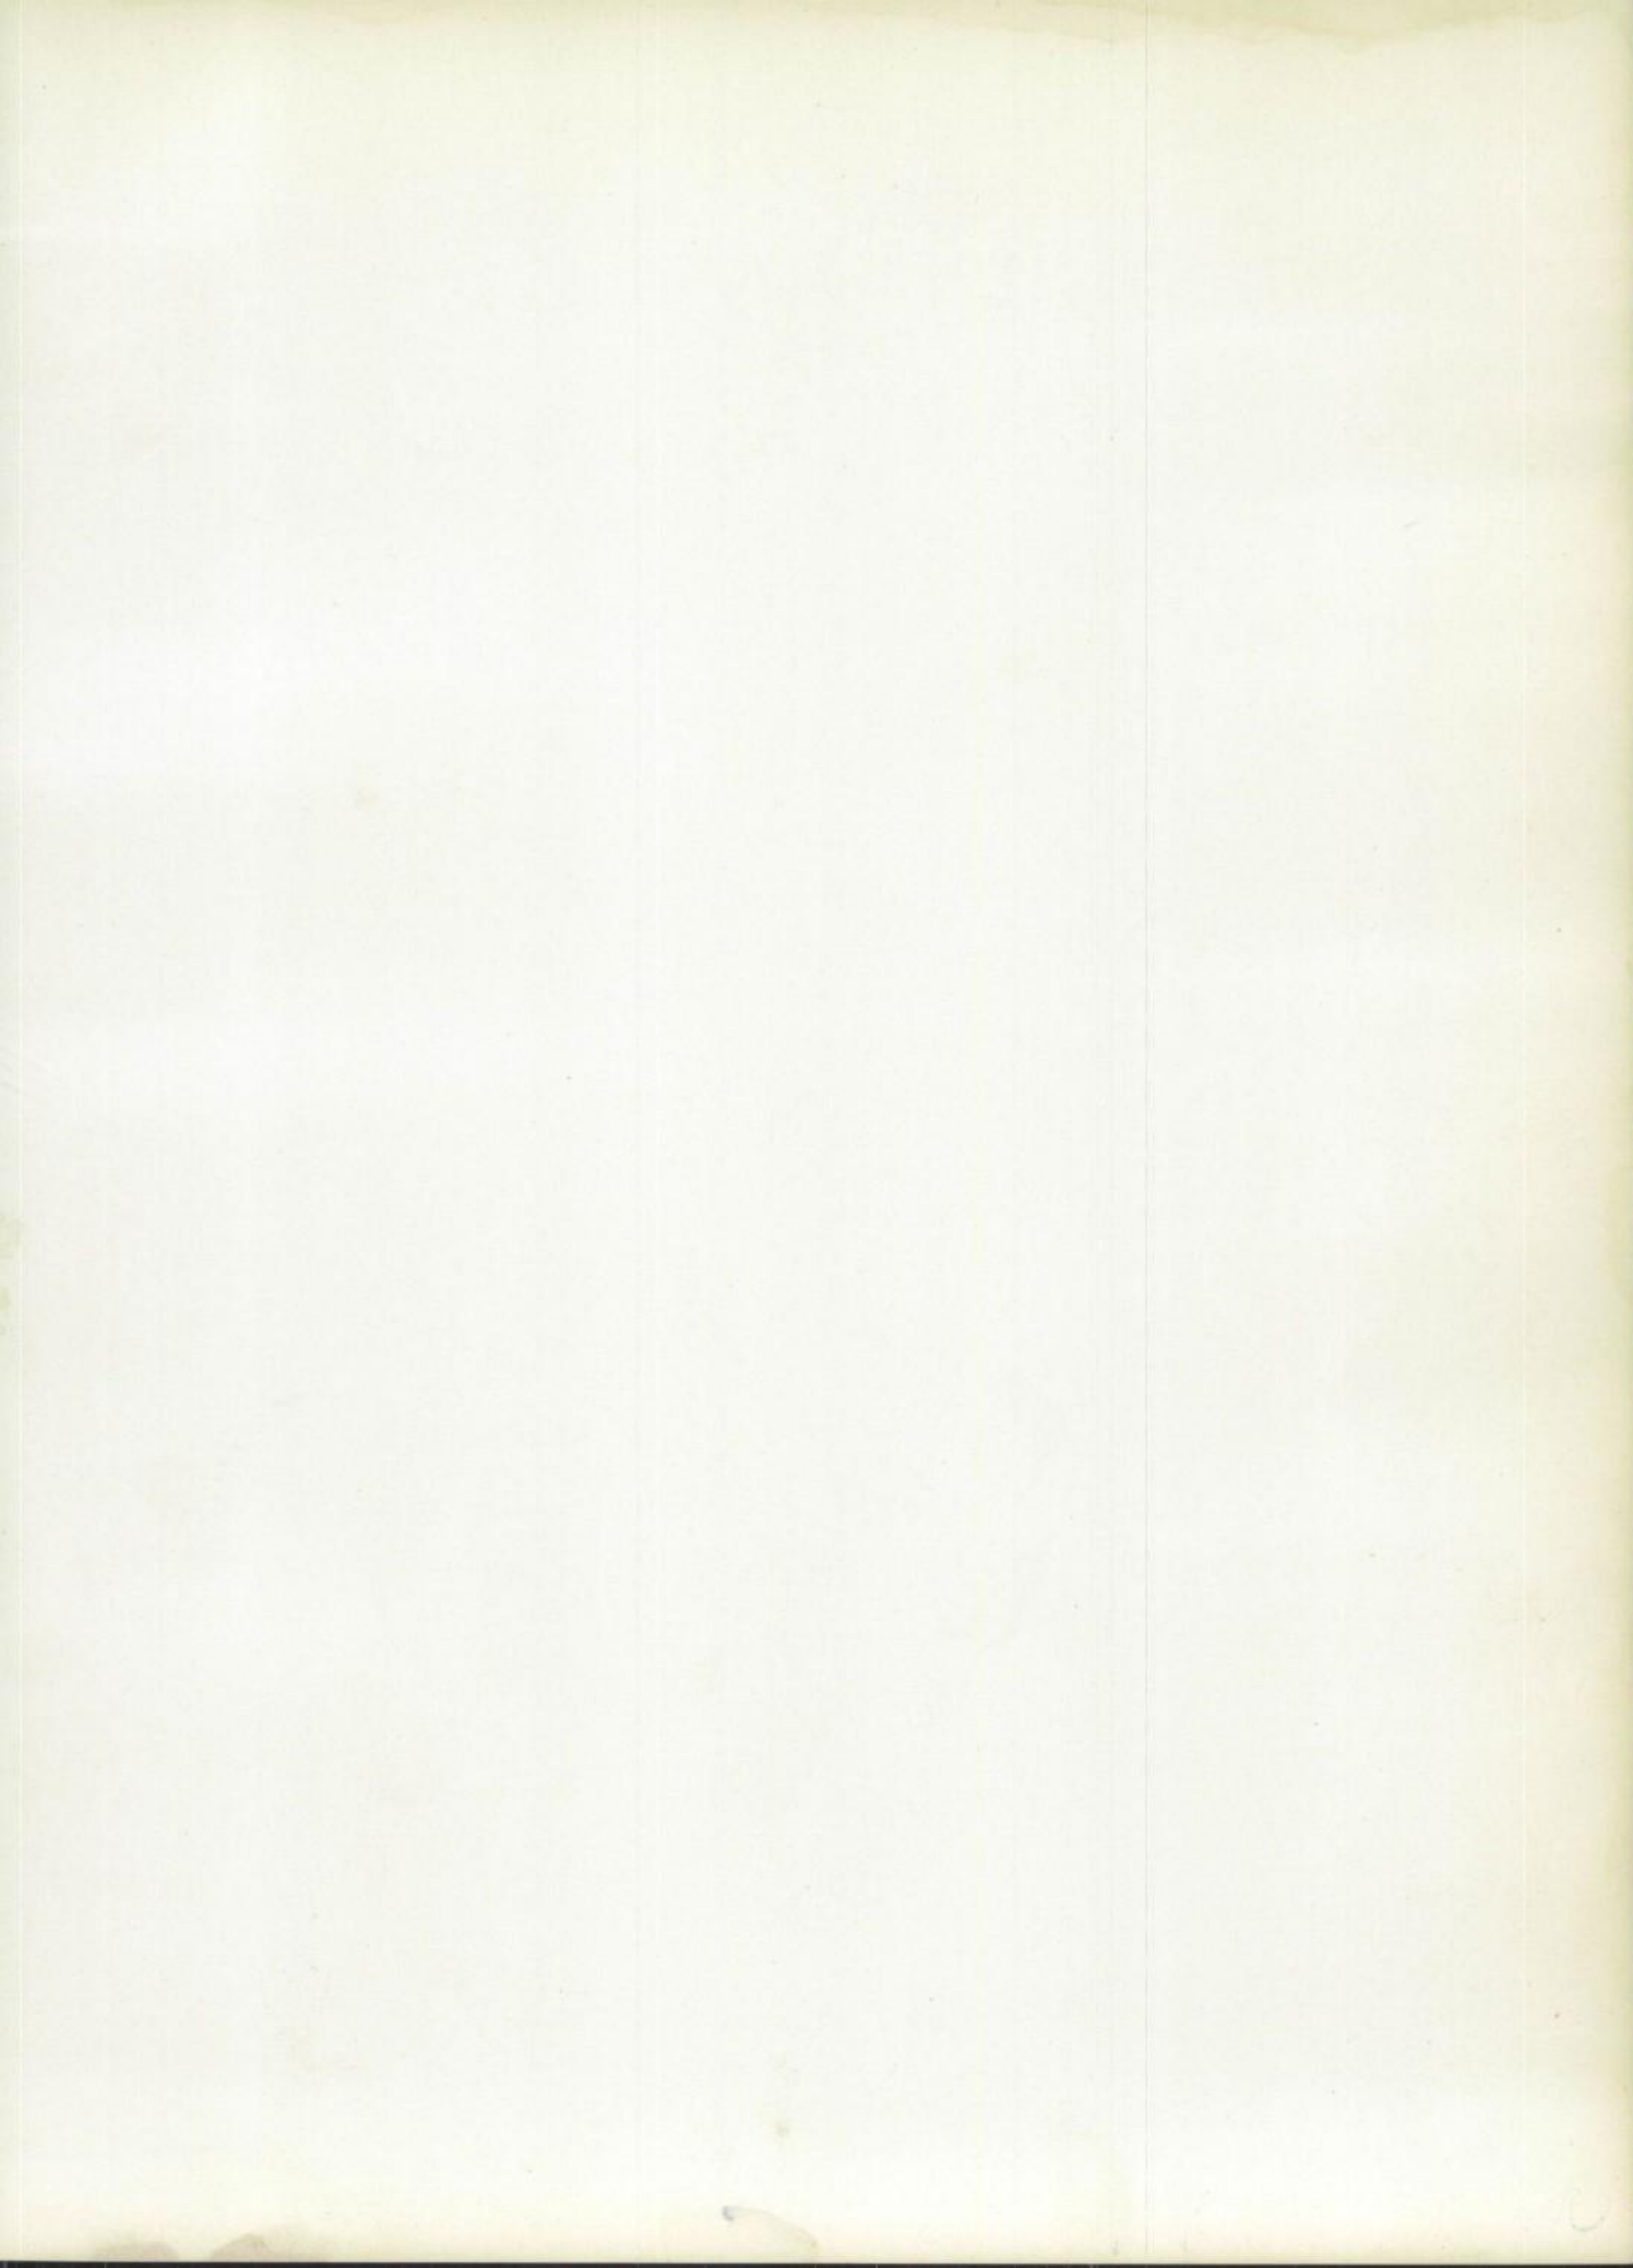

I'm really glad that we got to talk more this year. You're really a nice guy. I'll always be in debt to you for helping ^{me} find the potunias in the greenhouse. If I ever can't find anything again, I'll just call on you. Have a nice summer and I'll see you around. (Maybe even by Peter's subdivision.)

Love ya,
Jenny

Jeff.

We've never been very good friends before, but it is excellent how I've finally gotten to know you. You're a "wild one" but a sweetheart!! I know we'll have a great summer at Milagres & we'll have some meat times. I just hope you'll always have clear me around to help you. Have a fantastic summer!

Love ya,
Ava

Jeff,

I'm also glad that we are still good friends. Thinking back on last year, we really had a good time swimming, and at Wides Palace. Maybe sometime we can get together this summer and do some things like last year. Well good luck in what ever you do & have a excellent summer. Hope to see ya next year, and Party Party.

Love

Sue L.

P.S. Also I

think I will take
you up on that offer (bang)
(Style)

JEFF,

I wish I would of known you better last year. This year was really great. Especially in S.H. That is, when you ~~were~~ oop's weren't sleeping. (just kidding) I'm glad you and Manfred became such good friends. Have a great summer & I hope we bump - into each other someday during the vacation. Maybe we can party sometime
TAKE IT EASY,

love ya,

cheryl H.

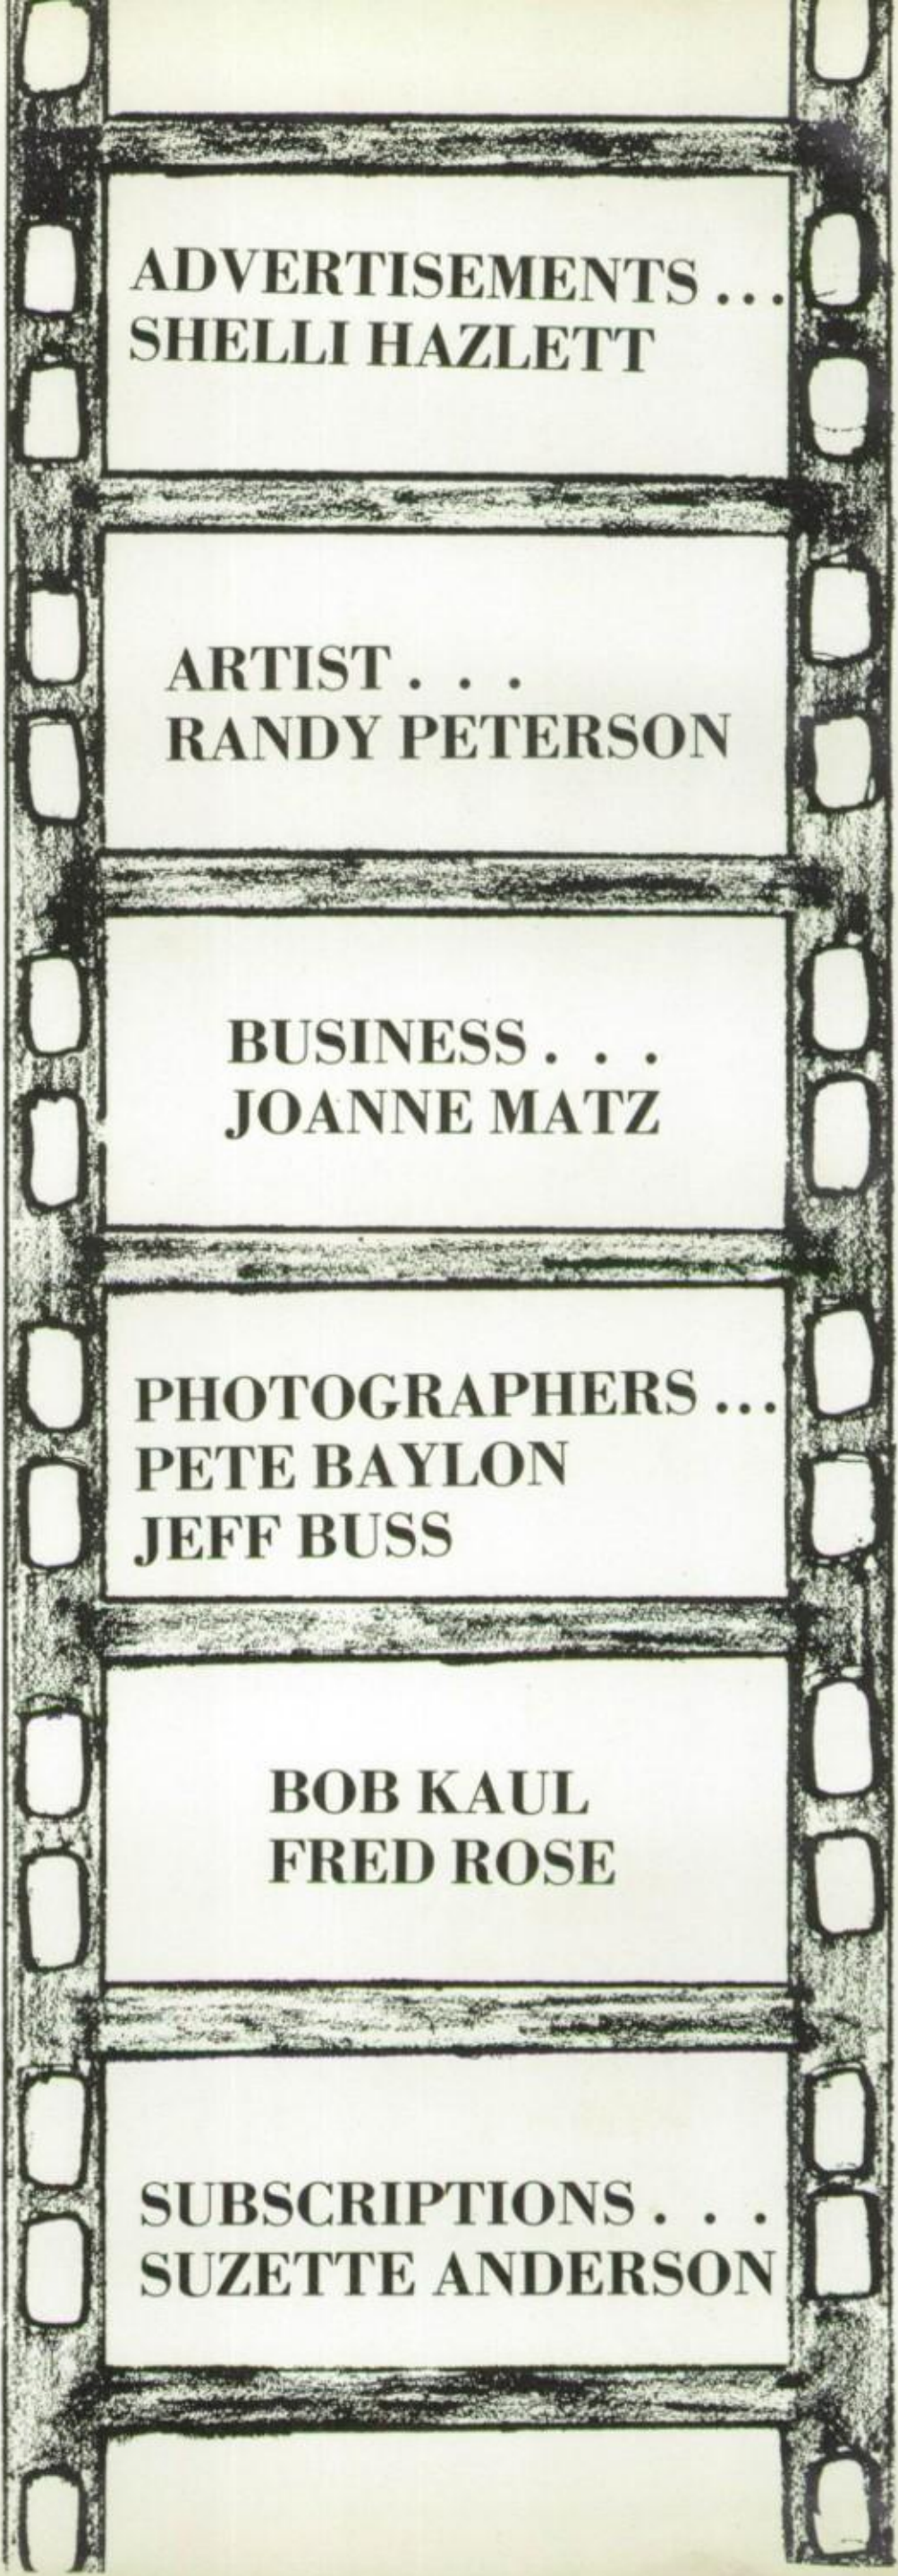

JEFF.

We really didn't see to
much of each other this
year. It was pretty
funny in homeroom, the
way you talk back
to Korres. We still got a
few more days of this
school year left to party,
If we don't get the
chance this year, we'll
have to go nuts next
year & party our brains
out! hey? Without
partying this school would
be to much of a drag!
Well- we might run into
each other this summer
ya never know!

Take Care
Love
Jeff

Jeff,
